

THE SEASIDE HOTEL

will reopen January 1st under the management of
J. H. HERTSCHE

THE HOTEL and COTTAGES have been partly refurnished and renovated to bring them up-to-date: there's a telephone in every room: very strict attention will be paid to cuisine and service in the "Finest dining-room in the Territory": the spacious grounds have been much improved and will be well illuminated at night: bathing privileges are free to guests, and can be arranged for by others: there's a garage for the accommodation of ten autos, and parking space for many more: while nowhere along the beach front is there so good a place to enjoy the salt air, the splendid bathing and so fine a view as at the SEASIDE HOTEL.

SMALL PORTION OF THE LARGE GROUNDS OF THE SEASIDE HOTEL

Three satisfying meals served daily: Breakfast, from 6:45 to 9:30 (50c); Lunch, from 12:30 to 2:00 (75c); and Dinner, 6:00 to 8:00 (\$1.00). The usual Dinners are a little better than you expect, and there will be Special Dinners on Holidays, etc.

The Hotel will be run on the American plan.

Waikiki cars pass the entrance to the grounds.

Beautiful playground space for children living in cottages.

OFTEN CALLED "THE FINEST DINING-ROOM IN THE TERRITORY."

Special Attention paid to Auto Parties arriving after Dinner Hours
